THE FOOTBALL WELCOMES COMMUNITY PROJECT

- A pilot project to establish the most effective way for football clubs to work with others to help create more welcoming communities.
- Partnering with four English football club foundations and one county FA
- Based on the German model of ‘community alliances’ under the Welcome to Football programme

THE FOOTBALL WELCOMES COMMUNITY PROJECT

LeicesterCity
in the Community

CHALLENGES AND LESSONS

- Engaging women and girls from a refugee background
- Engaging women's teams
- The rise of the far right and the increase in racism and xenophobia in football
- Meeting the needs of people who are refugees who have disabilities
- Funding
